Il Mio Uliveto This is a little get away property, ideal for a long week end or for the period in which you pick your olives. The property consists in two nicely restored rooms: one on the ground floor which could be used as a bedroom and which has a little wc and a storage area under the stairs. The other room is on the first floor and is a kitchen with fire place and sink. Then there is the olive grove which is 1 hectare with 79 nice mature olive trees and there is also a plot of woodland of 2.000 sq m.
