Appartamento Passo Storico This lovely bright apartment is situated in the historic centre of Paciano, considered one the most beautiful villages in Umbria. It has a living room with kitchenette, two bedrooms and a bathroom. It's trully a lovely property: though not very big, it has nice spacious rooms and windows on two sides which capture the light in various times of the day. The property was completely restored about 20 years ago and is in excellent condition, with its charming wooden beams and terracotta floors.
