La Carina A few kilometres from the services, lovely semi-detached house with garden. The property is on two levels: on the ground floor we find the dining room and the kitchen, on the first floor, which can be reached via an internal staircase, there is the living room with sofa bed, bedroom and a bathroom. The property is immediately habitable, completely renovated a few years ago, it has exposed stone walls on the ground floor and high ceilings with wooden beams on the first floor.
