Casa Mirabella In a little hamlet semi-detached house with a large cellar (full of character) on the ground floor. You access the apartment from an external staircase, here a nice panoramic terrace. On the first floor there is a kitchen with a fireplace and a large room (currently a bedroom but which would make a great living area); upstairs another large bedroom, a bathroom and a smaller room with another fireplace. The garden is a nice size and there are two good size outbuildings. The view all around the house is amazing and you can even see the lake.
