Villa Zagara A few minutes walk from the historic center of Paciano, in a hilly and extremely panoramic position, detached house with large garden. The property is over several levels, in the basement we find rooms used as warehouse and a large porch, the living area develops on the upper floors where we find a large living room with fireplace and a large window from which the view extends over the town below up to Lake Trasimeno and Tuscany, always on this level there is the kitchen, a bedroom, the study and a bathroom. Going upstairs we find a bedroom with wardrobe and bathroom.
