Casale Nestore In Montepetriolo, a few minutes from all the services in Tavernelle and 15 minutes from Perugia, a detached house on three levels with land and outbuildings. At the moment all the rooms of the property are in their raw state. It is important to take into consideration that the roof, facade, external walls and fixtures are completely new. The property is solid from a structural point of view. Absence of facilities. The property is accessed from an exclusive tree-lined avenue. Climbing comfortable steps leads to the main door.
