Appartamento Carducci Located in a building from the 1980s, on the second and last floor. Apartment that requires some modernization work, but is in good condition and immediately habitable. The floors are all solid wood. There are two bedrooms, a bathroom, closet, living room with pellet stove and kitchen. Two long terraces on both sides. The view from the front of the property is very pleasant. A small vegetable garden and private covered parking space are part of the property.
