Umbria / Perugia / Panicale / Montali

**Number of bedrooms**  
2

**Surface**  
72 sqm

**Condition**  
good

**Swimming pool**  
Yes

**APPARTAMENTO BELLAVISTA** This characteristic apartment has been converted from the renovation of an old castle on a hill, which offers a spectacular view of the hills and of Lake Trasimeno. The castle consists of a main building, an ancient tower of the twelfth century, and an annexe enclosed by walls which is only partly still in existence. A large natural terrace offers a breathtaking view of Lake Trasimeno.
